

Increased Lighting Rebates for PSE-Served School Districts

Sports field & gym lighting

Up to 100% funding available

Transform classrooms, gymnasiums, and sports fields with advanced LED lighting at little or no cost to your district budget.

- Application now open through April 30, 2027
- Project must be completed by November 1, 2027

Why Planled

Planled delivers a one-stop solution for school lighting upgrades – from audit to rebate procurement – improving human experience while lowering energy costs. We manage the whole process so your team can move fast with less burden.

2021 MLB Jackie Robinson Most Valued Business Partner Award by Seattle Mariners • PSE Lighting to Go Partner • SHINE Program Leader • KCDA Vendor

Request a free lighting assessment
